FISCAL SENTINEL, LLC

Mission-Ready Facilities Support. Veteran-Led Integrity.

CAPABILITY STATEMENT

Service-Disabled Veteran-Owned Small Business

SBA VetCert SDVOSB | SBA VetCert VOSB | UEI PLQZBMD7MXD1 | CAGE 249R6 | Primary NAICS 561210

COMPANY OVERVIEW

Fiscal Sentinel, LLC is an SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) delivering facilities support, management consulting, security, and IT services to federal, state, and local agencies. As a service-disabled veteran-owned firm, we bring military discipline, accountability, and a stewardship mindset to every requirement — from integrated facilities support to the consulting, security, and technology services that keep missions running.

Mission: To deliver dependable facilities, consulting, security, and IT support that protects our clients' missions and the public resources behind them.

CORE COMPETENCIES

Facilities Support (561210)

- Integrated base and facility operations support
- Building operations & maintenance coordination
- Janitorial, grounds & custodial service management
- Work-order management & service-level oversight
- Logistics, mailroom & administrative support
- Subcontractor management and QA/QC

Management & Financial Consulting

- Program & project management support
- Financial management, budget formulation & cost analysis
- Acquisition & contract administration support
- IGCE development & contractor budget oversight
- FAR-aligned procurement support: market research, acquisition planning, RFP development, source selection
- Internal controls & audit readiness (SOX-style testing, CAPs)

Security Services

- Security program assessments & vulnerability reviews
- Physical security planning & access control consulting
- Security staffing & patrol support via qualified, licensed teaming partners
- Emergency preparedness & COOP planning

Information Technology

- IT consulting & systems planning
- Cybersecurity & risk-management support
- IT help desk & end-user support
- Systems integration & network support
- Records & data management

DIFFERENTIATORS

- **Certified SDVOSB & VOSB** — SBA VetCert certified; eligible for SDVOSB and VOSB set-aside and sole-source opportunities.
- **Stewardship built in** — sound fiscal management, transparent reporting, and cost-conscious delivery.
- **We know the government side** — led by a COR Level III–certified professional who understands how requirements are written, priced, and monitored.
- **Single point of accountability** — owner-led management with direct access to the decision-maker.
- **Agile & teaming-ready** — lean, quick to mobilize, and scales through vetted teaming partners; open to prime/sub, mentor-protégé, and JV partnerships.
